INVESTIGATION:

Sgt. Williamson, Star #1866, Unit 012, contacted the Office of Professional Standards on 30 August 1997 at 2235 hours and registered a complaint with Inv. Wilmouth, Star #82, on behalf of the complainant, [REDACTED] who is [REDACTED] assigned to Unit 146. [REDACTED] made various allegations of physical abuse against Officer Robert Poholik, which abuse allegedly occurred during [REDACTED] arrest. (Att. #2)

Sgt. Williamson further reported that he was on the scene of [REDACTED] arrest and witnessed same. Sgt. Williamson reported that [REDACTED] stepped from a bar during a narcotics investigation where a large crowd had gathered. Tactical officers at the scene had radioed for assistance and Officer Poholik and his partner, Officer Scott Martin, responded. Sgt. Williamson reported that [REDACTED] was asked numerous times to leave the area, but refused and was subsequently placed under arrest. [REDACTED] began to struggle with Officer Poholik and was placed on the ground and handcuffed. [REDACTED] was transported to the 012th district by Officers Poholik and Martin and charged with Disorderly Conduct. (Att. #2)

Sgt. Williamson reported that while inside the 012th District [REDACTED] informed Officers Poholik and Martin that he was a Police Department employee so Sgt. Williamson interviewed him. Sgt. Williamson stated that [REDACTED] told him that he should not have been arrested because he was just trying to see what was going on and added that the arresting officers had no right to make him leave the area. [REDACTED] told Sgt. Williamson that Officer Poholik threw him to the ground and slapped him on his face at the scene of arrest and that once inside the 012th District Station Officer Poholik slapped him on both sides of his face numerous times while he was handcuffed to a wall. (Att. #2)

Sgt. Williamson stated that he did not witness Officer Poholik commit any misconduct during [REDACTED] arrest. Sgt. Williamson stated that [REDACTED] struggled briefly with Officer Poholik who placed him into a squad car.

Sgt. Williamson reported that Officers Scott Martin, Gary Makowski, Humberto Candalario and Antonio Ponce were witnesses to [REDACTED] arrest. (Att. #2)

[REDACTED] provided two interviews - one at the onset of the investigation and the second after once the accused and the witness officers were interviewed. [REDACTED] stated that he was [REDACTED] and had consumed approximately four beers when he noticed other patrons of the tavern getting up and going towards the front door. [REDACTED] stated that he stood inside near the front door, and watched as Officer Poholik stood over a male/Hispanic named [REDACTED] and began striking him in the face. [REDACTED] stated that he yelled at Officer Poholik, telling him to stop beating [REDACTED] and admonished him for doing so, since [REDACTED] was already handcuffed. [REDACTED] stated that Officer Poholik told [REDACTED] to leave the area, but he responded that he was on private property and was just watching the arrest and minding his own business. Officer Poholik walked towards [REDACTED] and stated, "Come on" and [REDACTED] asked, "For what?" and Officer Poholik told [REDACTED] he was under arrest. [REDACTED] asked Officer Poholik why he was being arrested, but Officer Poholik grabbed [REDACTED] by his shirt and threw him forward towards the ground causing scrapes on his left shoulder and right elbow. [REDACTED] stated that he lost consciousness at this point and only recalled being dragged to the squad car. [REDACTED] stated that he was transported to the district along with [REDACTED] by the arresting officers, identified as Officers Poholik and Martin. [REDACTED] stated that while inside the squad car Officer Poholik slapped his face, so he told him that he worked with the Chicago Police Department and alleged that Officer Poholik was committing "police brutality". (Atts. #12,#54)

[REDACTED] continued that once inside the District Station Officer Poholik chained him to a wall and [REDACTED] was placed in another interview room. [REDACTED] stated that Officer Poholik began asking him questions, but when he responded Officer Poholik would slap [REDACTED]. [REDACTED] stated that Officer Poholik returned with some supervisors including Sgt. Williamson. [REDACTED] told Sgt. Williamson his unit of assignment and identified his commander and supervisors and further stated that he wanted to file a C.R. Number against Officer Poholik.

R/I asked [REDACTED] if he fought, threatened, struggled or resisted arrest and he stated that he did not remember because he passed out. In a later interview he stated that "no". [REDACTED] stated that he did not make any physical contact with Officer Poholik. R/I asked [REDACTED] if he told the police that they could not come inside the tavern and he stated, "no" and added, "I'm not the owner, I'm just a patron there".

R/I asked [REDACTED] why he did not leave the area as instructed by the police and he stated that he was not doing anything wrong and felt that Officer Poholik wanted him to leave so he

would not witness what was going on. [REDACTED] stated that he was not standing outside the tavern, but was near the second open door and the incident occurred outside the tavern approximately 10 feet away. R/I asked [REDACTED] if he told the arresting officers, "I'll have your jobs" or "You don't know who you're fucking with" and he stated that he never said this.

R/I asked [REDACTED] to describe his injuries after allowing him to review the photos taken of him by an Evidence Technician. [REDACTED] stated that his right eye was swollen as a result of being slapped by Officer Poholik and he had dirt on his left shoulder after Officer Poholik threw him to the ground. He sustained a scrape on his left shoulder and right elbow as a result. (Atts. #12, #54)

R/I viewed [REDACTED] photos, but they revealed no noticeable injury. (Atts. #3-#3E)

[REDACTED] medical records indicate that he visited [REDACTED] on 11 September 1997, approximately 12 days after the incident occurred, and sought emergency room treatment for pain to his elbow and knees. [REDACTED] told the hospital staff he was trying to break up a fight when his injuries occurred and was diagnosed as having sustained contusions on his knees. [REDACTED] was prescribed Tylenol #3. (Att. #57)

The Screening Log indicates that [REDACTED] had no obvious pain or injury when admitted to the lockup. (Att. #5)

[REDACTED] Arrest Report indicates that he was arrested on 30 August 1997 at 2130 hours by Officers Pholik and Martin for Disorderly Conduct. The narrative portion of the report states that Officers Pholik and Martin responded to an assist call made by 012th District tactical officers which resulted in the arrest of four offenders. [REDACTED] Arrest Report states that once Officers Poholik and Martin arrived they observed a crowd gathering so they asked [REDACTED] to leave, but he refused and told the officers that he did not have to leave. [REDACTED] was placed under arrest using "necessary force" and transported by Officers Poholik and Martin to the district station for processing. (Att. #4)

The related Case Report and subsequent Arrest Reports indicate that [REDACTED] were arrested for Delivery of a Controlled Substance on 30 August 1997 at 2130 hours by Officers Candelario, Borja and Ponce. The narrative portion of the Case Report states that the arresting officers were traveling eastbound on [REDACTED] when they observed several male/Hispanics standing near [REDACTED] which is a targeted location known for gang and narcotic-related activities. The arresting officers observed a drug transaction so they approached the offenders for a field interview, but [REDACTED] threw a small bottle containing suspect PCP and fled with Officer Candelario in pursuit. [REDACTED] was

apprehended and detained. Officer Borja recovered the bottle. Officer Candelario told Officer Ponce to detain [REDACTED] for Delivery of a Controlled Substance. (Atts. #14, #19, #20, #21)

The Arrest Reports of [REDACTED] indicate that [REDACTED] were arrested for Delivery of a Controlled Substance and were transported to the District Station by Officers Candelario, Borja and Ponce while [REDACTED] was arrested for Possession of a Controlled Substance and was also transported by Officers Candelario, Borja and Ponce. (Atts. #14, #20, #21)

Several attempts were made to contact [REDACTED] but these attempts were met with negative results.

[REDACTED] provided a brief oral telephone interview. [REDACTED] stated that on 30 August 1997 he was arrested with [REDACTED] and a man known only to him as [REDACTED]. [REDACTED] refused to provide any details surrounding his arrest, except to say that [REDACTED] were arrested by three male/Hispanic officers dressed in plainclothes, who just walked up to them and placed them in handcuffs. [REDACTED] stated that [REDACTED] were driven to the station together following their arrest, but [REDACTED] was transported by another squad car. [REDACTED] stated that once inside the station he and [REDACTED] were placed in separate rooms. [REDACTED] stated that he never saw [REDACTED] abused in his presence at the scene of arrest and had nothing further to add. (Att. #25)

[REDACTED] provided a brief oral telephone interview. [REDACTED] stated that he was riding a bike when he saw [REDACTED]. [REDACTED] stated that prior to seeing [REDACTED] he had consumed a beer and was intoxicated. [REDACTED] stated that he saw several officers approaching him and was afraid because he was on probation for theft and did not want to be arrested. [REDACTED] stated that he ran, but decided to stop since he had not committed any crime. [REDACTED] stated that a male plainclothes officer told him to get on the ground and he complied. [REDACTED] stated that he was dizzy and could not recall whether or not the officer was white or Hispanic. [REDACTED] stated that he felt something hit him on the head and he was placed in a squad car and taken by himself to the station. Once at the station he saw [REDACTED] along with other arrestees. [REDACTED] stated that he did not witness anyone else's arrest. [REDACTED] stated that he was not injured during the incident. (Att. #51)

Officer Scott Martin, the officer who arrested [REDACTED] stated that he and Officer Poholik were on routine patrol when they monitored a call for assistance by members of the tactical team. They went to [REDACTED] and placed the subject, later identified as [REDACTED] inside their squad car and brought him to [REDACTED] where the rest of the tactical team was located.

Once the officers arrived at [REDACTED] Officer Martin observed four subjects standing near a wall so Officer Martin remained inside the squad car with the prisoner while Officer Poholik exited the vehicle to assist the tactical officers. Officer Martin stated that he saw a crowd gathering. Officer Poholik returned to the squad car with [REDACTED] in custody and once he was placed inside the squad car he was transported to the district station for processing. (Att. #44)

Tactical Officers Candelario and Borja provided written statements. Officer Candelario and Borja stated that they observed a narcotics transaction at [REDACTED] but when Officer Candelario approached the offenders for a field interview [REDACTED] ran, but Officer Candelario pursued him on foot while Officer Borja followed him in the squad car. Officer Ponce remained with the other offenders. [REDACTED] was apprehended at [REDACTED] and narcotics were recovered. Once Officers Candelario and Borja returned to where Officer Ponce was holding the other offenders Officer Candelario noticed that a crowd had gathered. The offenders involved in the narcotics incident along with another male/Hispanic were taken into custody. Officer Candelario and Officer Borja stated that they did not observe [REDACTED] arrest and added that [REDACTED] was already taken into custody by the time he returned to [REDACTED]. Officer Candelario and Officer Borja denied witnessing any misconduct of any kind. (Atts. #45, #46)

Officer Makewski provided a written statement. Officer Makewski stated that he responded to a call for assistance by Officers Ponce, Borja and Candelario, but by the time he responded the narcotics suspects were in custody, but the narcotics had not been recovered so he began searching for same. Officer Makewski stated that he saw patrons of a nearby tavern coming into the street. [REDACTED] was standing near the doorway yelling at the officers and telling them they could not enter the tavern because it was private property. Officer Makewski stated that the next thing he saw was [REDACTED] being taken to the squad car by a uniformed officer.

R/I asked Officer Makewski if he observed any injuries on [REDACTED] and he stated "no", but he added that he heard [REDACTED] yelling, but could not recall what he was saying. Officer Makewski stated that he did not observe [REDACTED] fight anyone, but he was described as "loud" and smelling of alcohol. Officer Makewski stated that he did not observe any misconduct on the part of any Department member. (Att. #41)

Officer Antonio Ponce provided a written statement. Officer Ponce stated that after observing a drug transaction at [REDACTED] he remained at that location with some offenders while Officers Candelario and Borja chased another offender on foot. Officer Ponce stated that he radioed for assistance and once it arrived he patted down two offenders and placed them into a squad car. A third offender was brought to [REDACTED] afterwards and Officers Borja

and Candelario returned to the scene also. Officer Ponce stated that while en route to the station he was informed that there was a fourth arrestee, namely [REDACTED] but he denied witnessing his arrest. Officer Ponce denied witnessing any misconduct on the part of any Department member. (Att. #47)

Accused Officer Robert Poholik, provided a written statement. Officer Poholik stated that he and Officer Martin monitored a call for assistance by tactical officers identified as Borja, Ponce and Candelario. Once they responded to the call at [REDACTED] he saw Officers Candelario and Borja placing a subject, namely [REDACTED] into custody. Officer Poholik stated that he and Officer Martin placed [REDACTED] in their vehicle and left to meet Officer Ponce, who was detaining other possible offenders down the street. Once they arrived at [REDACTED] Officer Poholik saw Officer Ponce searching an offender near a bar and he noticed that a large crowd had gathered so he asked the crowd to disperse. The crowd began to disperse except [REDACTED] who had walked out of the bar onto the sidewalk. Officer Poholik stated that he asked [REDACTED] several times to leave, but he refused and added that he did not have to listen. Officer Poholik threatened [REDACTED] with arrest, but he remained at the scene so Officer Poholik told [REDACTED] that he was under arrest for Disorderly Conduct. [REDACTED] refused to put his hands behind his back when asked, but swung his arms and kicked. Officer Poholik stated that he grabbed [REDACTED] arms, placed him on the ground by putting pressure on his arms above his elbows, placed both his hands behind his back and handcuffed him. Officer Poholik stated that he weighs 235 pounds and [REDACTED] weighs approximately 155 pounds so he did not have to use a lot of force to place him on the ground. Officer Poholik stated that he picked [REDACTED] up and placed him inside his squad car. Officer Poholik stated that when he picked [REDACTED] up he stated, "You don't know who you're fucking with. I'll have your jobs".

Officer Poholik stated that he did not observe any visible injuries on [REDACTED] nor did he complain of any. He added that [REDACTED] did have a strong odor of alcohol on him and seemed irrational and loud. Officer Poholik denied all allegations lodged against him. (Att. #50)

SUMMARY OF INVESTIGATION:

The victim, [REDACTED] alleged that he was with [REDACTED] when they were stopped by the police and asked to step from the car. [REDACTED] was searched and then taken to the 012th District and placed in an interview room. [REDACTED] alleged that Officer Poholik ran a name check on him and found that he had an outstanding warrant. Officer Poholik then slapped [REDACTED] a couple of times and punched him on his temple. [REDACTED] called Officer Poholik a "motherfucker" and a "son-of-a-bitch" and threatened him to a fight. With this, Officer Poholik and his partner, Officer Daniels, lifted [REDACTED] off the floor and dropped him. [REDACTED] alleged that the officers did this to him two or three times. Officer Poholik then punched [REDACTED] about his face and head until he passed out. When [REDACTED] regained consciousness, he was taken to the lockup and then to [REDACTED]

[REDACTED] was supposed to supply the reporting investigator with information on how to contact [REDACTED] but he never did supply this information.

The arrest report of [REDACTED] indicates that he was stopped for traffic violations and a name check revealed that he had an outstanding warrant.

The lockup screening report indicates that when [REDACTED] was received in the lockup, he had swelling to his left eye and that he was complaining of blurred vision. [REDACTED] told the lockup personnel that he had just been released from [REDACTED] and that he needed his medicine. He was then transported to [REDACTED]

The medical records from [REDACTED] indicate that when [REDACTED] was examined, he complained that he had been punched and kicked by the police after his arrest. The medical examination revealed swelling and discoloration under his left eye and swelling and tenderness to his leg and neck.

Officer Poholik gave a statement in the Office of Professional Standards and he related that [REDACTED] was stopped after he was observed speeding and running two traffic lights. [REDACTED] was asked to step from his vehicle and show his driver's license. [REDACTED] did not have a driver's license and was placed in custody and taken to the 012th District for processing. A name check was run on him and it came back that he had a warrant. At this point, [REDACTED] became very irate and started screaming that he was psychotic and needed his medicine. The officers informed the desk sergeant that [REDACTED] needed medicine and called for a transport because they were ending their tour of duty. Officer Poholik stated that when [REDACTED] was first taken into custody, he noticed that [REDACTED] had some puffiness around one of his eyes which appeared to be from an old injury. Officer Poholik categorically denied the allegations

made against him.

Officer Daniels also gave a statement at the Office of Professional Standards and he related essentially the same account of his incident as Officer Poholik. Officer Daniels denied the allegations made against him.

SUMMARY:

The complainant, [REDACTED] stated in his written statement to the Office of Professional Standards that a male white uniformed officer, one of the arresting officers physically and verbally abused him as indicated in the allegations section of the Summary Digest Report. [REDACTED] stated that he sustained injuries of soreness to the left side of his face and has headaches. [REDACTED] did not seek or receive any medical attention.

The Arrest Report stated that [REDACTED] was arrested on 01 May 1998, at 2010 hours, at [REDACTED] on charges of State Disorderly Conduct by arresting officers James Daniels and Officer Robert Poholik. The Arrest Report narrative stated that the offender [REDACTED] was knowingly and intentionally yelling obscenities and refused to leave the scene of a police investigation, inciting citizens to attempt to defeat the arrest. The offender resisted police arrest, refused verbal commands, and refused to be handcuffed. The arresting officers used minimal force necessary to effect the arrest. The Arrestee Lockup Screening Report stated that [REDACTED] had no obvious visible signs of pain or injury but claimed to have mouth pain.

The accused Officers James Daniels and Officer Robert Poholik denied the allegations in their reports. Officer James Daniels is described as the male white accused officer, being shorter in height than the partner, Officer Poholik. Officer Poholik is described as the male Hispanic officer. Both officers corroborated that they did not inflict any degree of physical abuse, verbal abuse and/or excessive force on the offender, [REDACTED]

The named witness [REDACTED] has not cooperated with this investigation, in that she does not live at the address indicated and has not come forth to cooperate with this investigation.

CONCLUSION:

The available evidence is inconclusive to substantiate the allegations made against the accused. In view of the foregoing facts, it is recommended that this matter be closed and the findings be classified as "Not Sustained" against Officer James Daniels, and "Unfounded" against Officer Robert Poholik.

ACCUSED: (continued)

3. Raymond Urbanski, Police Officer, Star #6323, SS# [REDACTED] Employee # [REDACTED] Unit 012, M/W, DOB: [REDACTED] 69, DOA: 02 May 94, On duty, Sworn, Code: 01.
4. Joel Gonzalez, Police Officer, Star #5301, SS# [REDACTED] Employee # [REDACTED] Unit 012, M/H, DOB: [REDACTED] 67, DOA: 03 January 95, On duty, Sworn, Code: 01.

INVESTIGATION:

Initially, the original complainant, [REDACTED] failed to respond to the numerous attempts made to contact him, and arresting Officers Poholik and Daniels were requested to submit reports to the allegations gleaned from the Complaint Against Department Member Form. However, in the interim [REDACTED] came to the Office of Professional Standards and gave a written statement, which not only reiterated his original allegations, but included additional allegations against unknown officers beating an acquaintance known only as [REDACTED]. [REDACTED] stated that he was arrested when he and [REDACTED] stopped and watched unknown officers beating [REDACTED]. [REDACTED] alleged that while en route to the 009th District Station, Officers Poholik and Daniels stopped their squad car underneath a viaduct and physically abused him, in that they kicked him about the body and throat, choked him and struck him about the legs with a baton. [REDACTED] said that he sustained a bruise to his chest and throat, and three days afterwards went to the [REDACTED]. The medical records from [REDACTED] indicate that [REDACTED] said that he got kicked in the chest and hit with a baton on the right leg, and still taking medication for lower back pain that he complained about one week ago. [REDACTED] was diagnosed as having neck pain and being kicked in chest/neck.

The Arrest Report of [REDACTED] indicates that he was charged with Disorderly Conduct and placed under arrest by Officers Poholik and Daniels, who reported that [REDACTED] was yelling obscenities and refused to leave the area when told to do so by Beat 1240. The lockup keepers Visual Screening Check indicates no obvious pain or injury. The Identification Record photograph taken of [REDACTED] reveals no injury to his face, head or neck.

Accused Officers Robert Poholik and James Daniels submitted reports stating that they arrested and transported [REDACTED] without incident. Both officers categorically denied the allegations made against them and one another in total.

INVESTIGATION: (continued)

██████████ telephoned the Reporting Investigator and related that he was with ██████████ and witnessed the police beat a guy named ██████████. ██████████ stated that he really does not want to get involved, but said that he would cooperate if ██████████ identity became known and if he made a complaint.

The investigation revealed that ██████████ was ██████████ who gave a written statement while incarcerated at County Jail. ██████████ stated that he got into an altercation with ██████████ and ran when the police confronted him. ██████████ said that he was apprehended a short distance away and kicked about the head and body by numerous unknown officers, which he could not describe. ██████████ stated that the left side of his face was swollen, both knees and left ankle were swollen and ribs hurt, and taken to ██████████.

Photographs taken of ██████████ reveal a bruise and swelling to the left side of his face, a bruise to the right cheek, and bruises to both knees.

Medical records indicate that ██████████ was brought to ██████████ in police custody at 2241 hours, and stated that he was "jumped" by a gang at 1800 hours, and kicked to the left eye and in the right chest and complaining of pain. ██████████ was diagnosed as having hematoma to the left eye, and scrape to the left face and right cheek, scrapes to both knees and hematoma to the right calf.

The Arrest Report of ██████████ indicates that he was placed under arrest by Officers Urbanski and Gonzalez. ██████████ was charged with two(2) counts of Domestic Battery on complaints signed by ██████████. The narrative portion indicates that ██████████ had fallen several times, and then resisted being placed under arrest. The officers further reported that ██████████ struck his face against the police cage while being transported. The Simple Battery Case Report in essence purports the same information as contained in the Arrest Report. The Case Report lists ██████████ as a witness.

██████████ was interviewed via the telephone and stated that ██████████ struck her and ██████████ and said that she flagged down a police Sergeant. She said that ██████████ fled and lost one gym shoe in the process. ██████████ said that she did not see ██████████ apprehended and placed under arrest. ██████████ said that ██████████ was with her at the time of ██████████ arrest.

INVESTIGATION: (continued)

[REDACTED] was interviewed via the telephone and said that [REDACTED] being struck by [REDACTED] stated that [REDACTED] was drunk and fell several times before being apprehended about one half block away. [REDACTED] stated that she did not see any officer(s) physically abuse [REDACTED] while placing him under arrest.

Arresting Officers Raymond Urbanski and Joel Gonzalez were made accused and submitted reports. Both officers denied physically abusing [REDACTED] or seeing any officer(s) do so. Officers Urbanski and Gonzalez reported that [REDACTED] sustained lacerations to his knees from falling several times while fleeing, and lacerations from repeatedly striking his face against the police cage.

CONCLUSION:

[REDACTED] alleged that there were no witnesses when he was kicked about the head and body, choked and struck to the leg with a baton. However, the Identification Record photograph and medical records do not indicate any significant as alleged, and the screening record denotes no obvious pain or injury. Therefore, it is recommended that the findings for the allegations made against Officers Poholik and Daniels be Not Sustained.

[REDACTED] alleged that numerous unknown officers kicked him about the face and body, and photographs taken depict numerous lacerations and scrapes. However, the medical records indicate that [REDACTED] told hospital personnel that he had been "jumped" by a gang two hours prior to his arrest. [REDACTED] gave contradicting versions, in that [REDACTED] stated that she did not see [REDACTED] being apprehended and said that [REDACTED] was with her, while [REDACTED] stated that she witnessed [REDACTED] being apprehended and did not see any officer(s) physically abuse him. The accused denied beating [REDACTED] and reported that he fell several times prior to being apprehended and then struck his face/head against the police cage when being transported. Therefore, based on the statements and physical evidence at hand, it is recommended that the findings for the allegations given to arresting Officers Urbanski and Gonzalez be Not Sustained.

On 25 April 2006 R/Sgt. received this C.R. Investigation from Lt. Devenaux #523. Attached to the original Complaint Against Department Member was a copy of the Arrest Report of [REDACTED] on the date in question. The C.B. No. for [REDACTED] arrest was [REDACTED]. This Arrest Report identified P.O. Eng #1100 and P.O. Fontazzi #14352 as the arresting officers. This led to their identification as Accused. (See Att. Nos. 6, 7, & 8)

On 27 April 2006 R/Sgt. mailed a certified letter to the complainant (Att. No. 4) The article number of the certified letter was [REDACTED] (Att. No. 5)

On 03 May 2006 at approximately 2200 hrs, R/Sgt. went to the address of [REDACTED] in an attempt to reach complainant. R/Sgt. received Event No. [REDACTED] to record this visit. R/Sgt. was met by [REDACTED] who stated that complainant was home. R/Sgt. then met with complainant who stated that her keys were ultimately with the vehicle and that she was frustrated with "getting the run around" when she made calls inquiring about the vehicle. R/Sgt. asked complainant if she wished to pursue the matter any further. Complainant stated that she did not wish to pursue the matter and voluntarily signed a Voluntary Termination CPD-44.304 (Rev. 9.03) (Att. No. 3). R/Sgt. advised complainant that a certified letter was en route to her and that she could disregard it. R/Sgt. also advised complainant that she could contact the 114th District directly in the event that [REDACTED] was arrested in the future. This interview is documented in Att. No. 2 of this report.

INVESTIGATION

On 26-JAN-15 the undersigned received this case for investigation. 17-FEB-15 the undersigned interviewed the complainant, [REDACTED]. The complainant related that on 12-JAN-15 she arrived home to [REDACTED] and found her apartment "all tore up." The complainant stated that the back door had been damaged as if it had been forced open, everything had been thrown out of her closet, her clothes were taken out of her dresser and thrown on the floor, her bathroom towels were on the floor, and packages of food had been opened and on the floor in the kitchen. The complainant further stated that her futon mattress was cut down the side in an apparent attempt to look inside. According to the complainant, her clothes were muddy in that they had been stepped on, and the packages of food that were on the floor in the kitchen had to be thrown away in that they had also been stepped on. The complainant stated that the copy of the search warrant that had been left for her did not specify which third floor apartment the warrant authorized to be searched. The complainant explained that she lived in [REDACTED] and that although the search warrant did not identify the apartment number, it did cite the name a person, [REDACTED] which is the name of [REDACTED]. The complainant stated that she had no complaint about the back door damage in that it was not her door and the landlord had it repaired.

On 25-MAR-15 the complainant dropped off photographs to the undersigned which allegedly showed the condition of the complainant's apartment as she found it after the execution of the search warrant. Additionally, the complainant clarified that she was making an allegation that the officers entered her apartment without a warrant that specified which apartment the warrant allowed to be searched.

With respect to the allegations of the complainant regarding clothes allegedly thrown to the floor and muddied, boxes of food allegedly opened and stepped on, as well as a futon mattress that was allegedly cut open, the undersigned identified as the accused all of the entry officers including Sgt. German VAZQUEZ, and the affiant, P.O. John SANDOVAL. Additionally, the undersigned identified P.O. SANDOVAL as the accused relative to the complainant's allegation that the officers entered her apartment without a warrant that specified which apartment the warrant allowed to be searched.

All of the accused submitted reports addressing the allegations, and P.O. SANDOVAL provided a statement. None of the officers or the sergeant stated that they committed any of the actions that were alleged by the complainant. None of the officers or the sergeant stated that they observed any other members commit any of the actions that were alleged by the complainant. Officers SANDOVAL, DURAN, and HONDA did state that food items were already on the kitchen floor prior to their entry. P.O. DURAN stated that he did remove food items from the pantry and place them neatly on the floor.

The undersigned did review the photographs provided by the complainant as well as the entry and exit photographs that were taken by P.O. HONDA. The exit photographs did not show clothing on the floor, but did not show the entire floor area of the apartment. The photographs that were provided by the complainant did show some clothing on the floor, but it could not be determined from the photographs whether they had been stepped on or muddied. The photographs provided by the complainant did show a futon mattress that had apparently been cut down the side. The entry and exit photos did not show the futon mattress in a manner whereby it could be determined if it had been cut open. The photographs provided by the complainant, as well as the photographs taken by P.O. HONDA, did show that several items were placed together in a section of the kitchen floor outside of the pantry, and did not depict what was described by the complainant.

With respect to the allegation that the officers entered her apartment with a search warrant that did not specifically authorize entry to [REDACTED] the undersigned reviewed a copy of the Search Warrant and the Complaint for Search Warrant. The review of said documents revealed that the Search Warrant did not specify the specific apartment to be searched by number, and identified the premises to be searched only as the "Third floor apartment of a multi unit apartment building located at [REDACTED] The Complaint for Search Warrant revealed that information to obtain the Search Warrant was provided by a subject referred to as J. DOE, who described the specific location of the apartment in question as the rear door to the south at the third floor landing of [REDACTED] The Complaint for Search Warrant and the Search Warrant were each signed by Judge Angela PETRONE. On 21-APR-15 the undersigned conducted a location visit to [REDACTED] and verified that the rear entry of the [REDACTED] was to the south at the third floor landing, as stated in the Complaint for Search Warrant, and [REDACTED] was to the north. Therefore, in that it is clear that the Search Warrant was issued for the apartment specifically described in the Complaint for Search Warrant,

which was the complainant's [REDACTED] the Search Warrant did authorize entry into apartment into her apartment.

SUMMARY:

██████████ related in his signed statement that on the date and time in question, he was walking in the area of ██████████ when he was approached by two officers in uniform, now known as Officers McDonough and Poholik. At that point, someone from a building yelled "50" and they thought he did. ██████████ stated that one of the officers picked up a plastic bag of rock cocaine. ██████████ was handcuffed because the officers thought it belonged to him. He was patted down and searched. He was then placed in the back seat of the squad car. He thought he was going to be taken directly to the station, but instead, was driven to ██████████ up the ramp. Officer McDonough said that he was going to try a little experiment on him and sprayed him directly in his eyes with pepper spray and asked him how this felt. When ██████████ said it didn't feel good. Officer McDonough sprayed him a second time. When this occurred, he was out of the squad car at the time and in handcuffs. ██████████ said that Officer McDonough then struck him on his right elbow, back of his left leg and left hip with a flashlight. Officer McDonough then kicked his legs out from under him and he fell to the ground, cutting his left hand on some glass.

██████████ said that at that time, a black Bronco with a railroad security guard drove down. He pulled up to the police car and there was a conversation between the guard and the officers. Then, Officer McDonough said that if they found nothing in the back of the squad car, he would be released. The officers moved the back seat of the squad car and found a hypodermic needle with a substance in it. Officer McDonough said it was heroin. Other officers arrived on the scene and one of them asked ██████████ why he was bleeding from his hand. Officer McDonough said he fell. After that ██████████ was taken to the station on Racine and Monroe. Officer McDonough whispered to him that he shouldn't say anything and that when he went to court, he would drop the charges against him. ██████████ said that when a white Sergeant asked him what happened, he told him that he fell down. ██████████ said that he did tell the lockup keeper that he wanted to go the hospital, and was taken to Cook County Hospital. He was treated and released and taken back to jail. When he came back to the station, his right arm was in a cast. He said that the hospital staff told him had torn ligaments.

The Arrest Report for ██████████ indicated that he was arrested on 31 July 1998 at 2330 hours, while in the vicinity of ██████████ Street by Officers McDonough and Poholik. The officers reported that the subject yelled "five-o" causing a crowd to disperse rapidly. He was placed into custody after a custodial search revealed one clear plastic bag containing white rock suspect cocaine. Also recovered was one hypo needle filled with suspect heroin from his right sleeve.

Plastic bags and needle were inventoried under ██████████
